ROSELIN & TERRY O'KEEFE

"When asked to write about Roselin and Terry's involvement in restoring the Terrier Club from its recession, I had to think back to when Bill and Sheila Morris and myself were in their kitchen one night and decided that if we could find – I think it was 15 people needed to get it up and running again with the support of Norman Brown and along with Ros and Terry we managed to get a big enough group together, called a meeting and voted in John Perfect as President, Sheila as the Secretary and a committee including Ros and Terry and from then on they both retained a strong involvement and were always a big part of any event. Events included running the dinner and dance for CKA show weekend, ribbon parades, picnics, fun days and as always Ros and Terry were there along with their increasing family of Diane, Christine and Gail. Such a fun family to be part of and the Terrier Club would not have been where it is today without them. Many good memories and fun times with Roslyn and Terry over the years!"

Peter Hewinson, Foxcrag Fox Terrier (Smooth)

"Roselin and Terry O'Keefe are remembered today for their contribution to the Canterbury Combined Terrier club, to Bull Terriers in New Zealand and the dog world in general.

The O'Keefe's were well known for their Brixton kennels of Bull Terriers, having bred, and shown many winning dogs over the years.

It all started after their marriage in 1957 when Terry brought home a new Pig dog which happened to be a purebred white Bull terrier bitch. Roselin was not so happy about this addition, as not only had it cost Terry a week's wages, Roselin was not sure she liked the look of it, and asked "What's that thing?" However, as time went by, the bully wormed its way into her heart.

Sadly, Tay lost her life while out hunting one day, so this led to them looking for another bull terrier. They spotted an advert in the local paper, and they called in and met Molly Metcalf who had a litter of pups that had been sired by a UK import, and Molly was not prepared to sell the bitch pup unless it went to a show home. Mum said Oh yes, I will show her, thinking she could take the dog to one show to fulfil her obligation, then Terry could use her on the pigs. so "Scorton Lass" or Lassie, as she was called, went to her first show and won ribbons! The rest as you can guess is history. This started a new hobby and overtime the show dogs replaced the pig dogs.

In 1970 Roselin approached the then secretary of the Canterbury Kennels Assn, and former Secretary of the CCTC before it had gone into recess in 1965. She discussed getting the Canterbury Combined Terrier Club up and running again. Norm stated he would help her if she could get enough people to a meeting. So, in conjunction with Bill (taffy) Morris and his wife Sheila, they rallied enough people for reform the club. Sheila became the Club secretary and John the President. So, we owe some gratitude to these people for having the club we have today. Thank you for your support. Remember without members we do not have a club, so we ask that if you are not already a member then please join today.'
